## Transport to Jenolan Caves

Conference registrants will need to make their own way to Jenolan Caves as we are unable to run a coach from Sydney Airport. We will however, be arranging minibus shuttles from Mt Victoria Railway Station on Sunday 3rd May. Each minibus seats 11 passengers so luggage space will be at a premium. We will arrange extra trips if demand warrants. A return service will leave Jenolan at 8.30am on Saturday 9th May.

Conference registrants will need to make their own way to Mt Victoria station and factor this into their flight/travel requirements accordingly. The indicative return train fare from Sydney Airport to Mt Victoria is about \$52.00\*; further train information, including timetables, can be found at [www.transportnsw.info](http://www.transportnsw.info). (\* includes airport station access fee)

1.  Please indicate here if you require minibus transport to and from Jenolan Caves.

*Please contact the Conference Convenor for public transport options to Jenolan Caves*
